Re: Re – enrollment for school year 2010-2011

Dear Parents,

Now is the time of year that we begin the re-enrollment and new student enrollment for next school year. As we begin enrollment for the 2010-2011 school year, I want to share with you some specifics as to how we determine tuition and fees for the coming year.

First, I want to assure you that it is the goal of the leadership of this school and our church to keep tuition rates as low as we can and still fulfill our mission of a quality Christian education for our students. The evidence of this lies in the fact that our tuition rates and our day care rates are lower than many of the comparable programs in our community while our test scores are among the highest.

About 80% of our budget expenses go toward personnel costs. In order to give a modest cost of living increase and provide benefits for our staff, we need to increase our income each year. We have a dedicated staff that believes in the ministry of this school and are willing to work for salaries that are lower than comparable positions in public schools and other private schools.

The other 20% of our costs are related to operational costs that include expenses like utilities, capital and maintenance expenses, curriculum materials, licensing fees, and other programs in our school. Thanks to the efforts of our Parent Teacher Organization (PTO), an additional \$15,000-\$25,000 is raised at our annual auction to cover the cost of materials and curriculum that otherwise would have to be covered by our school budget.

Our income for operating our school comes from three sources:

Tuition – 77%; Gethsemane Church – 15%; Annual Fund Drive (*Stand in the Gap*) – 8%.

This past year we received only 40% of our goal for the *Stand in the Gap* fund making it a challenge to meet our financial budget this year.

For the past two years, our registration rates and day care rates have not been raised. Last year, our tuition increase was less than \$10 per month. Our goal is to meet the expenses necessary to maintain an excellent academic and quality Christian education while keeping our tuition and fees affordable for families. With that goal in place, there will be a small increase in fees for the 2010-2011 school year.

I recognize that all the economic justification in the world will not help families with limited means who still have to adjust for tuition increases. Some financial aid is available for those who qualify and have a need. We encourage ALL parents of students to participate in the Arizona Tuition Tax Credit Program through the Arizona Christian School Tuition Organization or other student tuition organizations. Also, if you receive a Gethsemane Church member discount and would like to pay the full cost of educating your child, we have a form you can fill out to designate the difference as a tax deductible donation.

Included in your packet is the following:

SCHEDULE OF TUITION AND FEES 2010-2011

Registration Fees

These fees cover the cost of books, paper and educational materials. We are offering a **15 % reduction** for registration fees paid in full by March 1, 2010. If you would like, you may make payments towards the full registration fees making sure that you pay the final amount in June.

Tuition

These rates have been slightly increased (2%) for next year. Even with the increase, G.L.S. has lower tuition rates than many area private schools. We strive to keep our education rates affordable while still being able to cover our increased costs. This year, we have increased the tuition rate for grades 7 & 8 higher than grades K-6. The reason for this increase is to assist in covering the cost of a Leadership/Team Building Retreat for 7th & 8th grade students that will be held at the beginning of the school year.

We also offer **the option of spreading out your tuition payments over 11 months** instead of 10 to make it easier on the monthly budget. If you opt for the 11 month payment plan, your 1st payment is due on July 1st and your last payment on May 1st.

Before/After School Day Care Fees

The State of Arizona has significantly increased the State Licensure Fee for day care. In order for us to cover these increased costs, we have had to enact a modest raise to our day care fees. A daily snack is included with after school day care.

RE-ENROLLMENT PROCEDURE AND FORMS

Read and complete the attached forms. Turn them in to the school office as soon as possible. Enrollment opens to the public on March 1st. Submitting these forms will secure your child's place in next year's class.

TUITION TAX CREDIT INFORMATION

A.C.S.T.O.

Gethsemane Lutheran School has partnered with the Arizona Christian School Tuition Organization for the purpose of securing tuition tax credit money for our students. Every G.L.S. family who pays taxes to Arizona or who has a tax liability to Arizona should participate in this program. It is a WIN/WIN program for you and for Gethsemane. The brochure explains the process. You can also ask us for help in the office with any questions you have. Tax credit donations can be made by check or credit card. Tempe Credit Union will also give short term interest free loans for the Tuition Tax Credit Program. There are so many easy ways for you to participate in this program and *significantly reduce* your Kindergarten through 8th Grade tuition here at Gethsemane. In 2009, only about 50% of our families participated in the tax credit program. We would love to see this participation level increase to 100% in 2010-2011.

We want all our current families to be able to continue receiving the excellent Christian education here at Gethsemane. If you need tuition assistance for your Kindergarten through 8th Grade student, we will help you get it from ACSTO, LEF, and/or a few other sources. Also, if you have been blessed financially and are able to make a contribution to help someone else with tuition payments, please contact Ann Ross or me in the school office.

UNIFORM STANDARDIZED DRESS CODE POLICY

Students in Kindergarten through Grade 8 are required to adhere to this policy. There are many retail stores where you can purchase clothing that will fit our dress code. Please be sure that you stay with the allotted colors and styles for shirts, pants, sweatshirts, shorts, and jumpers. This information is also available in the school office and the school website: glstempe.com.

T.R.I.P.

The *Tuition Reduction Incentive Program* is an easy way to reduce your tuition while shopping for items that you would buy every day like groceries etc. Orders are submitted on Mondays and filled on Thursdays. If you haven't been using T.R.I.P, why not start today!

PLEASE NOTE THE FOLLOWING:

Carpool Transportation

Students at Gethsemane come from all over the East Valley Area. If you are interested in setting up a carpool, or sharing transportation, contact the school office and we will give you the names of families who live in your area.

Open House

Please join us on Saturday, February 20th from 9:00 a.m. until Noon for an Open House. Come tour our classrooms and meet with teachers. You can learn about the curriculum activities your child will experience next year. This year, we will have SNOW for our kids to play in along with refreshments for the whole family. Come join us and bring your friends and neighbors!
