

Hi Everyone,

Next week begins the final third of the 4th quarter. We're in the wrap-up stages of the quarter and the school year. We just completed chapters in Arizona and science and will complete new chapters prior to the end of the quarter. We will also finish the last lesson in math (the one subject I have each day of the week) and will have a final test of 50 problems which will be given on Monday and Tuesday of the last week of school. We will also be completing our final religion unit on Holy Week and will test on that sometime during the last week as well. AS you can see, we'll be "schooling" pretty much up to the end. I will not give assignments on the last Wednesday. The last day of the year, a half-day, will be devoted to cleaning up, packing up, having chapel, and not much else.

Tomorrow I will give a presentation on my WW2 memorabilia collection beginning around 1:15. You may join us if you'd like.

Tomorrow evening is the athletic banquet and awards ceremony. If your child was involved in any of our sports teams this past school year, you are welcomed to attend and have your child recognized. Dressing up a bit is encouraged for this occasion. Bring a passing dish or salad to share.

The final music program of the year will be held Tuesday, May 11, 6:30 pm, in the gym.

The next casual and jamba juice day is next Friday, May 14.

Graduation is Wednesday, May 26 at 7:00 pm in the church sanctuary.

Next week's academics:

Tuesday - Math test through covering lessons through 110

Wednesday - English unit 6 test (pronouns)

Thursday - Memory quiz

Blessings,
Tom
