

Good morning parents,

NEWS AND NOTES

Last Friday the children and I said good bye to Noah and his family. (We got an email from him this week telling us how much he missed all of us.) We all miss his big brown eyes and happy smile. I do know that the children are already enrolled in school in CA and doing well. We pray God's blessings on their move.

Our morning spent at the Kiwanis Wave Pool was enjoyed by all the children. This is an activity that the children look forward to every year.

CLASSROOM

SPELLING: iceberg, jewel, kennel, language, machine, nature, office, pajamas, queen, ready

CHALLENGE: private, raccoon
